

Statement by supplier instructions

If you are contracting with discovery college and you do not have an ABN, you will need to provide a Statement by Supplier. If you do not provide the Statement by Supplier, we must withhold 46.5% of the payment. This directive is from the Australian Tax Office.

There is a copy of the Statement by Supplier on the RecEd Box website, otherwise we can give or send you one.

Read the cover page of the Statement by Supplier for more information.

**NOTE: Only complete the statement by supplier
if you do not have an ABN**
